PROFILE

A skilled content writer and creative UI/UX designer committed to meeting client expectations. Dedicated to generating written content that is captivating and visually appealing. Strong interpersonal abilities, such as attention to detail, and ability for accomplishing goals. Focused on improving user experiences and successfully delivering brand messages

WORK EXPERIENCE

Content Writer

Code Ace IT Solutions, Cyberpark Calicut

2022 September -

- At Code Ace IT Solutions, I served as a freelance content writer, producing quality written content for a range of firms. I'll be good at sticking to deadlines, completing thorough studies, and producing material that is SEO-friendly. I am interested to help your collaborators along with my abilities

Ui UX Designer

Tecswan- Center for IT Research & Development

2023 May -

- I have learned quite a bit about UI/UX design while working with TechSwan as a student. I was provided with the chance to produce expert and eye-catching designs for my instructors throughout this time, enhancing my abilities and gaining praise for my work in the process.
- I'm currently capable to deliver designs of the highest quality and guarantee client satisfaction thanks to my expertise. I am prepared to contribute to projects and offer visually appealing designs that accomplish customer requirements since I possess a good eye for detail and a passion for developing smooth user experiences

OTHER EXPERTISE

- Acquired basic knowledge of the Stock Market & mastered Technical Analysis in chart reading and understanding Trading
- On the path to educating and expertise in Front-end Development from Avodha Edutech Pvt Ltd
